

WISeNET

Wisenet Life

Android

English

Now you can directly monitor your home and business on your mobile device, using the Wisenet Life app.

Download the Wisenet Life app from the Google Play on your mobile device.

1. Mobile device specifications

Hardware / Operating System	Specifications
OS	- Android 6.0 or higher
CPU	- 2.1GHz quad core or higher
RAM	- 3GB or higher
Network	- Mobile devices with a Wi-Fi or 3G/LTE ※ Network Bandwidth : 5Mbps or higher download/upload
Video codec	- H.264/MP4

- Some functions may not work properly depending on the manufacturer of the mobile device.

2. Download & Install App

1. Go to the Google Play Store.

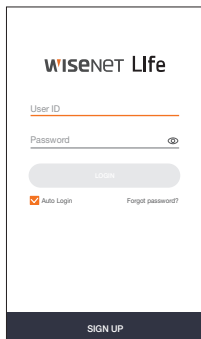

2. Search for **“Wisenet Life”**. Tap Install or Get to install the app. After installation is complete, open the app.

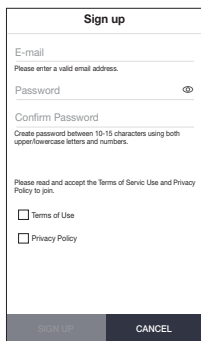

3. Create User Account

1. Tap "**SIGN UP**" to create an account.

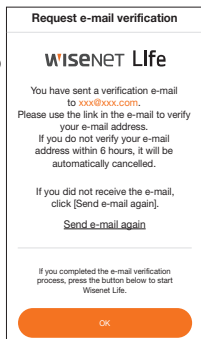

The screenshot shows the Wisenet Life login/sign-up screen. At the top is the Wisenet Life logo. Below it are two input fields: "User ID" and "Password". The Password field has a strength indicator icon. Below the fields is a "LOGIN" button. Underneath the button are two options: "Auto Login" (checked) and "Forgot password?". At the bottom of the screen is a dark blue "SIGN UP" button.

2. Fill in the required information and tap "**SIGN UP**" when finished.

The screenshot shows the Wisenet Life sign-up form. At the top is the title "Sign up". Below it are three input fields: "E-mail", "Password", and "Confirm Password". The "E-mail" field has a placeholder text "Please enter a valid email address." The "Password" field has a strength indicator icon. The "Confirm Password" field has a placeholder text "Create password between 10-15 characters using both upper/lowercase letters and numbers." Below the fields is a section for terms and conditions: "Please read and accept the Terms of Service Use and Privacy Policy to join." There are two checkboxes: "Terms of Use" and "Privacy Policy". At the bottom of the screen are two buttons: "SIGN UP" and "CANCEL".

3. A verification email will be sent to your email address to verify your email address. Follow the steps to verify your email. After verification is complete, press "**OK**".

The screenshot shows the Wisenet Life e-mail verification screen. At the top is the title "Request e-mail verification". Below it is the Wisenet Life logo. The main text reads: "You have sent a verification e-mail to xxx@xxx.com. Please use the link in the e-mail to verify your e-mail address. If you do not verify your e-mail address within 6 hours, it will be automatically cancelled." Below this is a link: "Send e-mail again". At the bottom of the screen is an orange "OK" button.
